MASTERCLASS & REGISTRATION

IAAGSW are proud to announce a series of Masterclass events at the 2018 Congress focussing on key areas surrounding sexual rejuvenation.

For the first time, IAAGSW delegates will benefit from live demonstrations alongside presentations, highlighting real-world techniques for each treatment.

IAAGSW will be hosting a world first—an in depth look at the use of dermal fillers for penile enlargement as opposed to fat transfer. This will include the first live demonstration in the UK.

Registration

IAAGSW 2018 offer three ticket options for delegates who would like to attend. The first is a two day pass for the IAAGSW Conference covering all lectures on the 12th & 13th October and all catering over the two days. It will also allow access to the drinks reception on the evening on the 12th.

The second option is as above, but includes the Masterclass event being held on the 14th. The third option is to attend the unmissable IAAGSW Masterclass as a stand-alone event.

Membership to IAAGSW

All delegate options grant an annual membership to IAAGSW for medical professionals, and with that you will receive updates on events, training and hot topics in the Aesthetic Gynaecological and Sexual Wellbeing sphere. Please fill out the forms below highlighting which of the two passes you would like and how you would like your name to appear on the certificates. We aim to qualify for up to 30 CPD points for IAAGSW 2018 which will be accompanied with the certificate.
